

WISCONSIN LEGISLATIVE COUNCIL AMENDMENT MEMO

2005 Assembly Bill 687

**Assembly
Amendment 1**

Memo published: February 1, 2006

Contact: Anne Sappenfield, Senior Staff Attorney (267-9495)

Under *current law*, a winery located outside of Wisconsin may ship wine directly to an individual if the winery is located in a state that has a reciprocal agreement with Wisconsin concerning out-of-state shipments of wine to individuals in the respective states and if certain other conditions are met. Current law provides that an individual in Wisconsin may not receive more than 27 liters (three cases) of wine annually from out-of-state wineries.

Assembly Bill 687 eliminates the quantity limitation on wine shipments to individuals in Wisconsin from out-of-state wineries shipping from a state that has reciprocal agreement with Wisconsin.

Assembly Amendment 1 increases the limit from 27 liters to 216 liters (24 cases) instead of eliminating the limit.

Legislative History

The Assembly Committee on State Affairs offered Assembly Amendment 1. On January 31, 2006, the committee unanimously recommended adoption of the amendment and passage of the bill, as amended.
